QUARTERLY REPORT JANUARY-MARCH 2014

INTRODUCTION

Tony Waite is operating in Kariba urban and peri urban in wards 1, 2, 3, 4, 5, 6, 8, and 12. Tony Waite Organisation interventions envision holistic approach in caring and providing welfare of the affected children, youths, men and women. The organization has continued focusing on women's health in wards 2 and 3 where more ward meetings are taking place. Secondary caregivers and church leaders are cascading the programme in wards.

PROJECT TARGET

The organization interventions target children in need of care, youths, adults and the elderly. Equal opportunity is being addressed across the board.

OBJECTIVES

- To identify needy children through community volunteers
- To improve household income, food security and health
- To provide C and HBC and palliative care
- To provide comprehensive scholastic support and psychosocial support
- To coordinate with other stakeholders.

PLANNED ACTIVITIES

- Scholastic Support
- Monitoring of livelihood and other Projects
- Support and Youth Club meetings
- C&HBC and Palliative Care
- Nutritional Support
- Food security
- Volunteer door to door counseling and ward meetings
- GSAL trainings
- Church Leaders PMTCT refresher course

- PMTCT training for work place behavior change facilitators

fish head feed

A food security meeting was conducted at Methodist church in Nyamhunga for water saving gardens. The participants were given knowledge on providing a balanced meal for their families and participants were trained in what causes food insecurity and were given ways to improve food security. They were also taught on how to plant crops in sack, key and tyre gardens as to save water and space. See photos below of sack garden demonstration

Livelihood projects such as gardening continue to do well with volunteers doing gardening at PADARE garden where there were given seeds to plant during the quarter, have a sweet potato crop that is ready for harvesting as well as rape garden that is in the nursery. At Charara garden they are also nursing their vegetable such as rape as well. See photos below of Padare garden

A community dialogue meeting was conducted at Tony Waite Organisation office on addressing the issues affecting youths in Kariba. Issues noted were on the problem of youths indulging in early sexual activities, drinking, smoking and the abuse of media to view pornographic material as the major problems. Ms Muchenje and the participants came to a way forward that the organization should continue with the youth programme and continue to hammer on these issues so that youths can change their behavior for the better. See photos below

ISAL groups continue and two 5 day GSAL trainings were 53(5M 38F) attended for both of the trainings was conducted by the organization to orient and equip participants with the knowledge on how to plan and manage for the projects they would be embarking on. See photos below of both GSAL trainings

GSAL Training 1

GSAL Training 2

2 savings groups who were trained by the organization which are Kutenda and Tireloop were also given their seed money of \$500.00 per group during the quarter. See photos of groups receiving their seed money from the organizations Finance Officer Mr. Tembo below

KUTENDA GROUP

TIRELOOP GROUP

A church leader’s refresher course on PMTCT was conducted during the quarter and it saw to a total of 47 (26M 21F) being trained on HIV/AIDS, male circumcision, condom use, SRHR, TB, disability and SBCC. They also evaluated on the challenges and successes they have faced in implementing the PMTCT program in their churches as well as the community. Another 3 day training on PMTCT for work place behavior change facilitators was also held were 30 (25M 5F) participants attended to be taught about the program so that they can counsel and teach others at their work places. IEC materials on TB as well as t-shirts were also distributed to the participants. See photos below

B) MEDICAL SUPPORT

A total of 50 booklets on TB were distributed during the quarter. Volunteers and church leaders continue to provide services in PMTCT. Church leaders also continue to play a crucial role in counseling and giving education on PMTCT. A total of 75 couples were reached with counseling,

197 youths were counseled, 75 actual number of people going for HTC and 179 with SRHR education for the quarter. See Chart below on PMTCT for the quarter.

See graph below on the figures reached by the volunteers compared to those reached by the church leaders for the quarter.

3. PSYCHOSOCIAL SUPPORT

Youth clubs and support groups continue to meet and hold their clubs. During the quarter, Nyamhunga youths in Nyamhunga met with the Programs Officer Ms. Muchenje and they discussed their plans and expectations for the year and were encouraged to be more active, creative and to participate in youth clubs as well to be exemplary and role model of good morals in the community. See photos below

Ms. Muchenje addressing the youths doing discussions with their supervisors during a club meeting

Youths in the club

A clothes distribution occurred which saw female members of the Nyamhunga youth club benefiting, 43 (19M 24F) OVC benefiting from another distribution as well as 40 secondary caregivers were also benefitted during the quarter. See photos of youth club members during a clothes distribution below

B) TO PROVIDE COMPREHENSIVE LEGAL AND SCHOLASTIC SUPPORT

The organization continues to offer support to three students in universities by paying tuition and other basic allowances. They also assisted in 3 legal cases which are 1 rape, 1 estate and 1 custody case with the aid of a local legal practitioner who works hand in hand with the organization.

4. TO IMPROVE COORDINATION

The organization supports other stakeholders in their programmes and they attended the following during the quarter;

- USADF Meeting on Kapenta Project
- ZAN Meeting
- DAAC Enabling Environment Taskforce meeting
- DAAC Prevention Taskforce meeting
- DAAC Treatment and Care Taskforce meeting
