Monitoring of the construction at Manhanga Primary

1. IDENTIFICATION OF NEEDY COMMUNITY MEMBERS

Trained volunteers continued to identify people in need of care. These people include women, men, boys and girls seeking medical assistance, school fees, nutritional support and others having suffered Gender Based Violence.

2. TO IMPROVE HOUSEHOLD INCOME, FOOD SECURITY AND HEALTH

NUTRITIONAL SUPPORT

The organization has continued to create strong synergies and networking with local stakeholders and donors with the bid to offer nutritional support to the needy in the community. The feed programme realised 310 (159M 151F) orphans and vulnerable children during the month. The figure comprises of 123 households and of these 42 (24M 18F) were people living with HIV.

MEDICAL SUPPORT

A total of 596(271M 325F) was reached with SRHR information which led to a total of 138 (66M 72F) getting tested for HIV and knowing their statuses. The figure comprises those reached through the Women and child health project and those reached PMTCT, home visits. Volunteers have managed to reach 79(40M 39F) with GBV information and assistance. They offered counselling to 34(21M 13F) with 1 couple being referred to the VFU. Tony Waite volunteers have also managed to give TB adherence support to 15(11m 4f) individuals.

The organization continues working hand in glove with other organizations and this has ensured cooperation which has assisted the disadvantaged and the under privileged.
